Look What's Cookin' at the Wadena City Library

The Wadena City Library story time program and staff are mixin' together with the University of Minnesota Extension office to see what they can cook up together during the month of July. At 10:00 a.m. every Wednesday, kids and parents are welcome to join in the "extended" version of story time. Not only will there be singing, stories read aloud and take-home books to keep, but there will also be a fun snack making time for all to enjoy as well. Children will learn about cooking cleanliness skills while they make a healthy snack to eat. So come on in and "Look What's Cookin' at the Wadena City Library" on Wednesday mornings. It's a good time to sign the kids up for summer library program too! For more information just give us a call at 631-2476, or e-mail at Wadena@krls.org . It'll be a yummy time!
