

## KITCHIGAMI REGIONAL LIBRARY

### **GIFT POLICY**

The Kitchigami Regional Library encourages and welcomes cash gifts, endowment funds, memorials and bequests for purchasing books (in general or specified areas), other library materials and equipment, for improving the library facilities or for benefit of the library staff.

The Kitchigami Regional Library may accept other gifts after evaluation to determine if the gift may be used in a manner consistent with the library facilities, good practice and the needs of the public. Because of limitations of space, budget and staff, the regional director or agency supervisor reserves the right to accept or discard, at his/her discretion, any gift.
