

Brainerd Public Library Meeting Room Policy

PURPOSE

Meeting Rooms are designed to meet general informational, educational, cultural and community needs, including activities such as discussion groups, panels, lectures, conferences, seminars, displays, and films. Any gathering must not interfere with the Brainerd Public Library's primary function.

POLICY

"Library" hereafter will refer to all staff and representatives of the Brainerd Public Library. Meeting Rooms are available for public gatherings of a community, cultural, or educational nature. Examples of events that are NOT allowed in Library meeting rooms include - but are not limited to - wedding receptions, birthday parties, fundraising functions, and commercial endeavors. The fact that a group is permitted to use a meeting room does not constitute endorsement by the Library of the group's policies or beliefs and cannot be marketed as such. Library sponsored or co-sponsored programs will always be given priority in scheduling. The following policies do not apply to Library events or Library-sponsored events. Final decision for the eligibility and fee status of meeting room use falls to the Branch Manager.

All applicants are required to agree to follow the Meeting Room Policy prior to use of the Meeting Rooms.
